Lawrence J. Wilker, President  
The J.F. Kennedy Center for the Performing Arts  
Washington D. C. 20566-0001

Dear President Wilker,

As a member of the President's Advisory Committee on the Arts of the J. F. Kennedy Center for the Performing Arts, I wish to endorse fully the request from Florida Community College at Jacksonville made in conjunction with the Duval County School System and Nassau County School System to participate in the Kennedy Center's Schools Partnership Program.

As you may note, this Partnership also has the support of our arts community through the recommendation of our Jacksonville Cultural Council.

Also, I anticipate that you will soon be in receipt of another endorsement from our community, that of the Kennedy Center Trustee, Jay Stein. I can say without hesitation, that this project has the full support of our entire community.

This partnership with the Kennedy Center would create the learning environment that fosters excellence in teaching and learning and the performing arts, especially in K-12, and thus has my full and total support.

Sincerely yours,

Edna Saffy, Ph.D.  
President's Advisory Committee on the Arts
