May 1974

Marvia Curry of Basic Blue Cross is beginning her maternity leave on Friday, May 24th. We'll miss you Marvia, and we wish you and your little one the best of luck.

Congratulations to all our graduating seniors: Debbie Lorry and Donna Carpenter of Inter-Plan Bank, Darinelle Campbell and Pearl Hill of Special Services, Betty Bellamy of Federal, Pam McClland and Carol Carver of Basic Blue Cross, and Rose Girrard and Pam Renforth of Data Entry.

Among the graduating we also have Suzanne Pearson and Laura Shook of Complementary Coverage who have just graduated from Florida Junior College.

The Bank Department would like to thank the Data Entry Department for their kind assistance in helping them to clear up their backlog of work during the peak season.

Mary Alice Tucker of Federal is leaving May 31st to stay home and be a full time mother and housewife after seven years and seven months with Blue Cross.

Deloris Bragg of Basic Blue Cross will be missed as she has left to be a full time wife and mother.

It's nice to see Thelma Griffin has finally been able to return to Inter-Plan Bank after being out several weeks due to a car accident.

Marsha Henderson of Inter-Plan Bank is transferring to Telephone Information. Good luck Marsha, and we'll miss you.

Welcome back to Debbie Weiseman of Basic Blue Cross.

We hope Gladys Reid will soon be able to return following her accident at work.

Catherine LaMee and husband Bob really enjoyed themselves at the Confederate Ball on April 27th. Catherine says it's the first time she's ever seen a bunch of Confederate Soldiers dancing "Discoque Style!"

We're glad to have our new employees and hope they enjoy working on the 7th floor: Welcome to Gale Boswell of Special Services, Denise Mach of Bank, Elaine Holgerson and Paulette Matkin of Federal.

I thank my God the sun and moon  
Are both stuck up so high  
That no presumptuous hand can stretch  
And pluck them from the sky.  
If they were not, I do believe  
That some reforming lass  
Would recommend to take them down  
And light the world with gas!
