VACATIONS

Betty Holmes visited Bush Gardens while on vacation recently. Along with her were her daughter, Marlo, and Theo Crews and her family. Betty said they really enjoyed all of the shows and attractions. Nona Tanner and her family recently took a week's vacation. They spent 3 days at the lake, and then visited Disney World, Sea World and Passport to Fun World. They were on their way to Silver Springs and Six Gun Territory, but her son Darrell cut his leg on the motel pool and had to have 4 stitches, so they had to cut their trip short. Phyllis Brand is vacationing in Jamaica this week and next. Shirley Wilkinson went to Alabama on her vacation to visit her mother's family. They had a great time and took a lot of pictures. Ruth Turner and her family visited Sea World and Disney World on her vacation. Ruth re-injured her foot and all she wanted when she got to Howard Johnson's was a bed and a bucket of ice water for her foot. Peggy Hennessee went camping at Jupiter Springs for her vacation. Lois Nettles and her husband, Tom, visited 13 states during their 10 day vacation. Barbara Bone visited her sister in Miami. Rita Singer had a nice tour of Florida while on her vacation. She visited Tallahassee, Havana, Mexico Beach and Panama City Beach. Rita said she had a good time in spite of all the rain and floods. Sue Demers and her family went to New Hampshire to visit her husband's relatives. Sue came back with a bad case of indigestion from all the polish sausage, sugar sweet corn and pea soup she ate. She brought back a bag of fig squares and they were delicious.

Janice Hull went out to Texas on her vacation. She and her husband, Warner, brought back a 1938 Chevy. Warner's brother also came back with them, driving a 1949 panel truck. It only took them one day to get to Texas, but 2½ days to get back home with the old vehicles. Judy Thomas spent her week's vacation in Virginia with her children. Margaret Blanton had a lot of fun on her vacation. Margaret and her family visited the Stars Hall of Fame, Bush Gardens, Sea World, Weeki Wacki Springs and Six Gun Territory . . . all in the rain.
