Employee's Club Candidates Begin Campaign

Twelve Employees Club officer candidates kick off their campaigns Monday, November 10, for the offices of President, Vice President, Secretary, and Treasurer for 1976.

Below are the 12 candidates selected by the Nominating Committee which was made up of four employees. Ballot boxes will be placed on the sixth floor-Main Building, third floor cafeteria-North Building, Northern Regional Office, and on the thirteenth floor-South Building. Ballots will be cast December 4 & 5. Results will be announced by Mr. Herbert at the time of his Christmas message to all employees.

The 12 candidates will be campaigning as Team No. 1, Team No. 2, and Team No. 3, expressly for the purpose of coordinating their time and efforts. When balloting is done, however, employees should vote for the candidate of their choice for each office, not by team. Teams were chosen by the Employees Club officers who drew names out of a hat for each of the three teams.
