MARCH 1976

March winds are blowing and spring is in the air.. "How seldom we weigh our neighbor in the same balance with ourselves." (Thomas A. Kempis) Food for thought! Sandy Armstrong, Robbie Leggett, and Sandy Hewlett have tried this month to bring together some good news, but everybody is so busy that no one has time to do anything or go anywhere. So bear with us, surely next month we will have more news. Our thanks go to Anita Hurley for drawing our front page. For the next few months, we are going to try new ideas for the cover. If you can draw or have any pictures that we might use in the newsletter, please let one of us know. Remember, this newsletter is to you from you, so please help us keep it interesting.

NEW  
EMPLOYEES

Welcome, Welcome. We are glad to have Susan Gile join us in Etta Touchton's department and Connie Yost in Group Billing.

FLOWER  
SHOPPE

Mary Lippincott received a large arrangement of tulips from her husband, John for her birthday. Judi Pike's husband sent her pink and red sweetheart roses to apologize after an argument. Linda King's "girls" gave her a bicentennial boquet for her birthday. A dozen red roses arrived for Phyllis Brand on her birthday from her boyfriend. Deborah Lott received a large arrangement of spring flowers from her department on her birthday. Later that same day Deborah's husband Stan sent her a dozen pink tea roses. Sylvia Brantley's boyfriend, Keith sent her a beautiful arrangement of white daisies, pink carnations and blue irises to wish her a "nice day." Daryl Moses received a half dozen red roses from his girl friend "just because." Deloris Hawkins received red roses from a "friend"?!? Ginny Bleil's husband, Rich sent her a beautiful arrangement of Birds of Paradise for her birthday.

NEW  
ARRIVALS

Congratulations to Euline Bennett on the birth of her nine pound son. Congratulations are also in order for Joyce Smith who gave birth to a 8 pound 6 ounce boy on February 24th.

MISC.

All three of Judi Pike's entries in the Kitchen Arts Contest won a ribbon. Her fudge won first place, her cheese ball ( a favorite around Sub. Service) won second place and her cheese cake placed third. Kathy West has a new hobby. She and her husband obtained a 150 gallon aquarium along with some fish to go in it. Good luck with the "fishing" Kathy. Karen Griffin will be married to Terry Thomas on April 2nd. Amelia Kelly celebrates her 20 year anniversary with Blue Cross this month. Congratulations! (Amelia is one of the original people of the Florida plans). Judy Jones and her husband Bill celebrated their second wedding anniversary on March 1st. Moving up... yes, Esther Dennis is leaving Non-Group to go help out the 7th floor. Welcome back to John Walsh who has been out for five weeks recovering from an accident at sea. (John is in the Naval Reserve) Poor John, it seems he lost his "sea legs" for a moment and ended up dangling from the ship by his "britches." Our congratulations to Carol Crockett on her promotion to supervisor. We are also glad to announce that JoAnn Robinson will receive the "Falling Out of Her Chair" Award for this month. JoAnn not only falls out of her chair in Screening and Processing, but waits until she has a larger audience and falls out of her chair in the cafeteria. How about a repeat performance, JoAnn?

MISC.

Mike Mallard bought a new small Chevrolet and then made the all time record when he had a wreck within a week's time. Better luck next time Mike. For Sue Demers birthday, her husband Norm took her out to eat steak and lobster and to a movie and bought her two new outfits. Peggy Hennessee won fifth place in the District Contest for C.B.E. in Junior Accounting. This entitles her to enter the State Contest in Orlando April 8th - 10th. Good luck, Peggy. JoAnn Robinson had a chain link fence installed in her front yard and artificial turf put on her patio. Peggy Anderson's daughter, Lynn was married to Ken Bradley. Lowana Molone has built a house with a swimming pool. She and her husband have also obtained some ancient bottles from England from which they made lamps. Evelyn Reynolds ( a retired supervisor of the Non-Group department) came to visit last week and brought a picture of Chip Hardin (her grandson) when he was a small boy. How cute! Julia Gable won a second place ribbon in the Kitchen Arts Contest for her cream cheese cookies. Gladys Westmoreland is very proud of her son Danny because he recently led the J.U. baseball team to their 10th victory of the season. Barbara Pope's daughter was chosen the Sweetheart of their church. And they said it couldn't be done... But Rita Singer, Susan Seesdorf and Robbie Leggett received their belly-dancing diplomas a couple of weeks ago. On February 27th, 28th and 29th, Debbie McLane, Nancy Copeland, Jill McKnight, Karen Griffin, Nina McLane and JoAnn Robinson went to Disney World for the week-end. They camped at Yogi Bear Campground in a tent they borrowed from Karen's fiance. Of course none of them had ever put up a tent before and JoAnn broke one of the aluminum poles. This however did not deter them.. they taped the pole back together and put the tent up anyway. Of course JoAnn's cot folded up with her in it (she can't even sit on a chair, much less lie on a cot!). They all rode Space Mountain, but the hightlight of the week-end was when Goofy chased Jill from Main St. to Frontierland. We still don't know why Jill was running! And after months of hard labor and pinching pennys, Robbie Leggett is finally the proud owner of a new stereo.

NOT FOR SALE

You can't buy the sunshine at midnight,  
You can't buy the moonlight at dawn;  
You can't buy your youth, when you have grown old.  
Nor your life when your heart beat is gone...  
You can't buy the love of mother,  
Nor childhood again at her knee...  
Altho you may hold, earth's silver and gold,  
The best things in life...they are free.
