Hilary A. Schroder

HILARY A. SCHRODER

Born and raised in New Orleans. Originally starting a banking career, he spent over fifteen years with the Whitney National Bank rising to Assistant Auditor. He began his career of almost thirty-five years in health field when he left the bank to become Assistant Manager with Hospital Service Association of New Orleans. He moved to Jacksonville from that position to accept Presidency of Blue Cross of Florida, Inc. and Executive Vice President of Blue Shield of Florida in 1946. As Chief Executive Officer, he guided Blue Cross and Blue Shield from a small office with only a few personnel to one of the largest employers in the area overflowing from one of the most attractive additions to the Jacksonville skyline. The complex of buildings under construction will remain for years to come as a tribute to his leadership.

His service to the community is attested to by membership on the Boards of Florida National Bank at Lake Shore, Florida National Bank of Jacksonville, St. Johns Dinner Club, Secretary of Executive Committee Health Planning Council of Jacksonville area, Treasurer and Director of Timuquana Country Club and prior service with a large number of health groups and worthwhile civic organizations.

Mr. Schroder says his wife married him for better or worse "but not for lunch!" As a result, he will have more time to indulge in his favorite pastime of golf.

*"May the future be filled with
long drives and many birdies!"*
