DEFEND YOUR RIGHT TO CHOOSE

Your freedom to choose safe and legal abortion has never been in more jeopardy. **The Day of Decision in the U.S. Supreme Court case *Planned Parenthood v. Casey* will be sometime between now and July 2nd.** That decision will sound the death knell for *Roe v. Wade*. *(Decisions are handed down between 10AM and 10:30AM --check the news!)*

Join us in speaking out and taking action:

- Attend a **"Day of Decision" Demonstration** at Noon at Lafayette Park, across the street from the White House on Pennsylvania Avenue on the day the Court hands down the decision. Bring family, and friends from your office with you.

- Participate in **informational pickets and pro-choice speak-outs** at metro stops, Bush campaign headquarters, and major intersections, to demonstrate pro-choice America's outrage at the Court decision, on decision day afternoon and in the days following. **To find out where you're needed call us at (202) 408-4627.**

To volunteer or receive additional information call (202) 408-4627.

**Now is the time to . . .
fight back to secure your right to choose.**
