*A Time to Remember
Twenty Years of Caring and Sharing*

1994 TOYS FOR TOTS

VARIETY SHOW

THIS IS TRULY A TIME TO REMEMBER!

As we celebrate our 20 years of caring and sharing through
the Toys for Tots Variety Show,
we can reflect back to the days of our humble beginnings.
Originally our audience was small but their hearts were large.
As our talents grew so did our audience,
and as the memories of the past may be behind us,
the caring in our hearts still remains and has even blossomed.
We can all look back knowing we have made many children smile.

A very special thank you
to the Corporate Management of Blue Cross and Blue Shield of Florida, Inc.
and the Employees' Club for their 20 years of caring and support.

We hope each and every one of you enjoy the show this year.
Many individuals have contributed to making the past 20 years a reality.

Thank you to those individuals
who have given their talent and themselves
and for their love and dedication.

Kacy Evans *Barbara Mitchell*
