President's Advisory Committee on the Arts of the  
John F. Kennedy Center for Performing Arts

As you are aware, I was appointed by President Clinton to the President's Advisory Committee on the Arts of the John F. Kennedy Center for the Performing Arts, and I have served since in that capacity since the spring of 1993. I am proud to say that since that time our FCCJ Wilson Center has established a successful relationship with the Kennedy Center.

The President's Advisory Committee on the Arts meets quarterly, and with the support of our college, I usually am able to attend two or three of these meetings. I deeply appreciate the support that FCCJ has been able to give me in the past.

Once again I would like to request that support.

Since there have been changes in the pathway this leave form and request will take I have attached previous letters in an attempt to update the situation.
