## STUDENT GOVERNMENT ASSOCIATION SENATE LEGISLATION

Number SR 91S-647

Whereas, SGA has made a commitment to the establishment of Scholarship Programs including: the Students Serving Students, the UNF Student Leadership Program, the SGA College Fund Scholarships, and the Officer Scholarships, and

Whereas, the Students Serving Students Scholarship Program is supported by interest earned off the Activity and Service Fee, and

Whereas, the interest earned off the Activity and Service Fee can only be used to establish scholarships, and

Whereas, the Activity and Service Fee interest income has increased substantially over the recent years, and

Whereas, establishing scholarships off the Activity and Service Fee interest will benefit current students that have contributed to the A & S Fee base, and

Whereas, there is a substantial portion of the student population that receives no financial support towards their college education because of ineligibility for Federal Financial Aid or for Academic Scholarships.

Therefore, let it be resolved that the Student Government Association establish the Most Improved Scholarship Fund, as outlined in the final criteria: (See attached document).

Respectfully Submitted,

S.G.A. MOST IMPROVED SCHOLARSHIPS

The Financial Aid Scholarship Committee shall award five (5) non-recurring scholarships at the level of \$600.00 per semester (Fall & Spring), \$1200.00 per year. These scholarships will be awarded to students who meet the following criteria:

- \* The student must be a full time student at U.N.F.
- \* The student must have been turned down for Financial Aid and include the denial letter in their application.
- \* The student must not be receiving other scholarship funds.
- \* The student must submit an official transcript with their application of all coursework completed at U.N.F. and other colleges attended.
- \* The student must demonstrate a minimum of .25 improvement in their academic record, (only full time semester gpa's will be considered).

Whereas, most scholarships are based on a pre-determined cumulative grade point average, this scholarship fund focuses on students who fall between the two extremes: those that are eligible for Financial Aid and those who excel in their gpa and, thus, receive scholarships.
