

Dear Edna.

Daughter,
we may not always
see things
eye to eye,
but we always
seem to feel things
heart to heart.

On your birthday,
as always,
my heart
is filled with love
for you.

The background is an abstract watercolor wash in warm tones of yellow, orange, and pink. There are several prominent, sweeping brushstrokes in shades of purple and magenta, some of which form large, curved shapes that resemble petals or leaves. The overall texture is soft and painterly.
