

I'm not familiar  
with the customs  
did you mean to  
be offensive or  
merely equivocal?  
Stoddard

imprisoned in  
the carcass of  
a dying criminal  
Dun

A man has every season  
while a woman has only  
the right to spin  
for Freda

... while dreaming as  
paper viruses must do,  
of space, planets,  
worlds elsewhere,  
fervently to inject,  
Sore Vidal

London Observer, 12/21/84

Squadrons from space  
we / spaceships can be used  
as required as school  
buses capture  
the children
