all that hair! Duplicitly, backbiting, undermining. He never talks to me. I told him I loved her in 1991. If that had changed, I would have told her.

Listening (especially) is not agreement. Teenagers often need to be reminded or they think you're agreeing with them.

all children see us as witches: militants

Do you want to be right or do you want to be effective (or in some situations) loved?

We keep doing the same thing over and over. With the same results.

People convinced against their will are of the same opinion still.

Questions asked in order to find out how deep a wife was what old man? I've asked you 3 times already the advice to deal with people wisely is to live with ourselves. Our long-term response goes from the facts we have much diversity.
1. We are less of ourselves, we give power away. Give stewardship delegating.
Schedule your life around the rules of your life instead of the day of your life.
Fire people.

- Right sizing / downsizing / reduction in force
- Self-directed teams at Saturn

2. Empowerment - common shared decision making
   (the process is important) [unleash creativity]
   (stop catching people being bad)
