FROM: Cathy Rushing CR

AT: Cost Accounting

SUBJECT: ADS Division as a Subsidiary

On January 1, 1986, ADS Division will become a separate subsidiary of Blue Cross and Blue Shield of Florida, Inc. The subsidiary will be called Health Options, Incorporated (HOI). As a subsidiary, HOI will continue to receive support from Blue Cross and Blue Shield of Florida, Inc. I am requesting that all areas of the company that provide any support to HOI (ADS Division) submit a description of the services rendered to me. I will be reviewing these services with Financial Analysis to determine the best method to track them and transfer some of the cost to HOI. I need to receive the description of your services for HOI by October 21, 1985. If you have any questions about this request, feel free to call me at extension 8111.
