STUDENT GOVERNMENT ASSOCIATION SENATE LEGISLATION

Number SB 93F-782

Whereas: ACSOP is responsible for developing a fair policy for the club lockers located in the Club Commons area of building 14;

Therefore: Let it be resolved that the following policy be adopted:

1. Lockers are for SGA recognized club use only.
2. There is a \$10.00 rental fee/year. If the fee is not paid by an outside account by the second meeting of the Fall semester (or after the locker is assigned), the money will be charged back to the club's SGA account. All monies received will be put into ACSOP's general operating account and used for the benefit of all clubs.
3. A waiting list will be started and clubs will be assigned available lockers on a first come first served basis.
4. Suspended clubs will lose their locker privileges and must vacate the locker within 2 weeks after notification of suspension. In order to be reassigned another locker, the suspended club will be placed on the bottom of the waiting list and a locker will be assigned when available.
5. There is a \$5.00 key replacement charge for lost/misplaced keys.
6. Clubs that are in good standing and are currently assigned lockers will be the first in line to keep their lockers.
7. Clubs will be allowed only one locker. Clubs that currently have more than one locker must vacate the second within two weeks after this policy passes the Senate.

Respectfully
