FROM: Harvey Matoren *HJM*
SUBJECT: Interim Appointment at HEALTH OPTIONS of South Florida

AT: President, HEALTH OPTIONS, Inc.
DATE 1/21/86

Effective December 20, 1985, I have appointed Mark Reinecke, M.D., as the acting Executive Director for HEALTH OPTIONS of South Florida (HOSF). In this position he will have responsibility for the day-to-day operations of HOSF. Mark will retain his responsibilities as Medical Director for HOSF during this interim period.

Mark will be coordinating through John Peterson, V.P., HMO Development. In support to HOSF, Jeanne Carnall from John's staff will be spending the majority of her time assisting Mark in his new responsibilities. She will be primarily accountable for the completion of the expansion activities of Broward County and will support Mark in whatever other areas he needs during this interim period.

The organization is recruiting for a new Executive Director for HOSF, and we anticipate that this position will be filled in the near future.

I would request that you give your full support and cooperation to Mark and Jeanne as they assume their additional responsibilities.
