SUBJECT: ANNOUNCEMENT OF TRANSFER OF RESPONSIBILITIES - SUSAN HUMES

Effective February 1, 1986, Susan Humes was promoted to Senior House Counsel. She has assumed the previous responsibilities of Howard Solomon. As announced, Howard has accepted a primary role with Harvey Pies in support of our HMO/PPO efforts. Susan will be supporting the efforts of various corporate groups and divisions including Public Affairs, Finance and Product Planning, Operations, and Facilities and Office Services.

Susan received a Bachelor's Degree from Webster College in St. Louis, Missouri in 1969, a Master's Degree from the University of Notre Dame in 1971, and a Juris Doctor from the University of Florida College of Law in 1981. Thereafter, she spent one year with the law firm of Mershon, Sawyer, Johnston, Dunwody & Cole in Miami, and three years as a prosecutor with the State Attorney's Office in Jacksonville.

She joined the Blue Cross and Blue Shield Legal Affairs Department in June, 1985 as Associate House Counsel, where she has worked under Bob Macina on subscriber and corporate litigation, trademark issues, and general corporate law projects.

We know you will continue to provide cooperation and support to Susan as she assumes her new responsibilities.
