You'll hear the train a comin'... You'll hear the tracks a hummin'...

You'll know that he's a runnin'.

Feel the campaign enthusiasm soar! Join the A-Train whistle-stop rally and arrive at the Florida Democratic Convention with Reubin Askew and fellow A-Team members.

The A-Train will take your mind off the drudgery of the road and put your spirits on the right track to a victorious convention.

On October 21, you can hop aboard the A-Train at any one of eight convenient Amtrak stations from Jacksonville to Deerfield. Once aboard, the A-Team conductor promises you'll be entertained all the way to the Diplomat Hotel in Hollywood.

The A-Train will arrive in Ft. Lauderdale at 3:52 p.m. Chartered buses will meet you at the station and take you to the Diplomat.

Why get the registration blues? The A-Team arrives before the registration rush so nothing will interfere with your convention enthusiasm. And, all your gratuities for baggage handling are included in your ticket price.

Now what could be easier? The prices are competitive and there are two hassle-free plans.

ROUND-TRIP PLAN—Transportation is provided from the Amtrak station of your choice. The A-Train will arrive in Ft. Lauderdale and buses will take you to the convention site. After the convention, a fully equipped, air-conditioned bus will return you to your original departure point.

ONE-WAY PLAN—Transportation will be provided from the Amtrak station of your choice to Ft. Lauderdale where buses will deliver you to the Diplomat. Return trip is not included in this plan.

Don't let the A-Train leave the station without you. Complete the enclosed order form and hop aboard.
Orders must be mailed by October 14 to ensure seat availability.
