

INTER OFFICE MEMO

HEALTH OPTIONS

TO: BILL BREHNET
FROM: JOE HAYES
SUBJECT: MANAGEMENT APPOINTMENT - HEALTH OPTIONS, INC.

AT: HMO MIS

DATE 3/25/86

I am pleased to announce the appointment of Todd Cripps as Manager of HMO Technical Services of Health Options, Inc.

Todd has a diverse technical background with over fourteen years of experience in data processing. He has been with Blue Cross and Blue Shield of Florida almost four years, including two years of technical support to Health Options, its divisions and affiliates. Prior to joining us, the majority of his experience was gained in the support of the financial and statistical needs of a major national retail chain.

Todd's accountabilities include application programming, the acquisition, operation and maintenance of the HMO MIS computer hardware, operating systems, telecommunications and security systems.

Please extend Todd your support and join me in congratulating him in his new assignment.
