

# Florida Jubilee 1995

November 28, 1994

Dear Friend:

Thanks so much for your tremendous support in helping us win re-election. We are extremely excited about the additional four years that you, the citizens of Florida, have given us.

To show our gratitude, we would like to offer you an opportunity to participate in our second Inaugural — Florida Jubilee '95. The Inaugural will take place on Tuesday, January 3, 1995. The details of the event are currently in the planning stages, however, the celebration will take place in Tallahassee. You will be notified as details regarding hotel, ticket and event information are finalized.

As you know, we limited our campaign contributions to \$100 per person. We will continue that limit for the Inaugural, as we believe that keeping our administration accessible is the best way to keep Florida's government in the hands of its people.

The celebration needs private donations to pay for the festivities. After all, this is a celebration for the people, by the people!

We hope you will take a minute *now* and send in a contribution, so you can join the thousands of other citizens who believe in good government.

Again, thank you for your help. We look forward to seeing you at Florida Jubilee '95!

Sincerely yours,

A handwritten signature in blue ink, reading "Lawton Buddy". The signature is written in a cursive, flowing style.
