INTER OFFICE MEMO

TO: All Employees
FROM: Robert Pralle
SUBJECT: T. L. JOHNSON

AT: Vice President, Sales
DATE 7/31/86

It is with sincere regret that I inform you of T. L. Johnson's departure from our company effective August 13, 1986 to pursue a new career path.

T. L. is an eleven year veteran of our sales force beginning as a Sales Representative in 1975 and progressing to his current role as Central Region Director in Tampa. He has been a valuable member of our marketing team and has been a major contributor throughout his Blue Cross and Blue Shield career.

The Central Region continues to be one of the fastest growing areas in the country and our corporate efforts in this major market will only intensify as we proceed through the eighties.

Please join me in extending best wishes and support to T. L. in his decision and much success in the future.
