Dear Edna,

I am writing to report on the success of the meeting at the Tampa airport on Saturday. This was the first major gathering of key supporters. We had a great turnout with friends and supporters from all over Florida as well as several from out of state. We are obviously gaining a lot of momentum.

I'm sorry that you were not able to attend. I am counting on your support as we move forward. I need your help so that we can have another strong fundraising quarter. Please help raise as much as possible before March 31. I have included some of the materials we distributed on Saturday.

One of our finance staff will contact you to assist you in your fundraising efforts. Thank you for your continued encouragement and friendship. Call me with any questions or suggestions.

Sincerely,

Bill McBride

*P.S., Look forward to seeing you and glad you have your friends coming to visit when I am in Jacksonville. If you and I can do what you did for Pres. Bill Clinton we will win!!*
