FLORIDA LEGISLATORS JOIN LT. GOV. MACKAY IN BACKING CLINTON

(Tallahassee) -- Joined by a group of legislators from around the State, Florida Lieutenant Governor Buddy MacKay today endorsed Arkansas Governor Bill Clinton for President.

"I support Bill Clinton for President because I believe he offers the bold new leadership America needs to deal with the realities of the 1990's. Americans know the country is hurting economically and that it needs a government that is more accountable to the people," said MacKay. "As Governor, Bill Clinton has changed politics in Arkansas. He can do the same for America. His innovative proposals related to education and health care are programs we need now, not just at the state level but at the national level."

The initial list of legislators endorsing Clinton includes Rep. Elaine Bloom (D-Miami Beach), Rep. Scott Clemons (D-Panama City), Sen. Helen Gordon Davis (D-Tampa), Rep. Jim Davis (D-Tampa), Rep. Daryl L. Jones (D-Miami), Rep. Mike Langton (D-Jacksonville), Rep. Anne MacKenzie (D-Ft. Lauderdale), Rep. Ron Silver (D-North Miami Beach), and Sen. Robert Wexler (D-Palm Beach).

"Bill Clinton can deliver solutions on key issues important to Floridians, namely education and health care. Bill Clinton is committed to Florida and I am committed to Bill Clinton," said Silver.

"As a woman, I have been impressed by the Governor's positions on issues important to women in Arkansas, Florida, and all over the country," said MacKenzie.

"Governor Bill Clinton, more than any other Democratic candidate, has proven himself to be the best at generating, developing, and implementing ideas good for people. Unlike George Bush, Bill Clinton will build unity, not divisiveness," said Jones.

"As a fellow southerner and as the nation's longest serving governor, I am in a unique position to understand the problems of Floridians," said Gov. Bill Clinton at a morning press conference. "Florida is an important state and I am grateful for the support I have received here. We are starting late and I am an underdog in the Florida straw poll but I will try to compete in it and look forward to March 10th when all Florida Democrats have their say."
