Dear Dr. Saffy:

I want to thank you as an Arab American for your support. Al Gore and I are proud to represent the Democratic Party, which has always been a party of inclusion. We look forward to working in a spirit of unity with all Americans in a Clinton Administration that will promote economic opportunity and social justice. We will continue to work for and defend the civil and political rights of all Americans, just as we will work tirelessly to bring about a just and lasting peace in the Middle East and throughout the world.

We look forward to celebrating a Democratic victory with you in November.

Sincerely,

Bill Clinton
