Dear Dr. Edna Saffy,

Thank you so very much for supporting my Transition efforts with your generous gift of \$100.00. Donations from committed individuals like you have made our Transition a tremendous success, just as your time, effort and financial support secured our victory this past November.

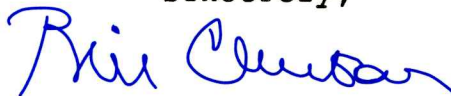

And now, with only hours to go before I assume the Presidency, I could not feel more confident and prepared to lead than I do this day.

I will never be able to properly thank you for all you have done, but I can make you a promise: that as your President I will work as vigorously and forthrightly as I possibly can to lead America to a higher ground -- a place where the common good and people come first, and the opportunity to succeed and prosper in this great democracy is shared by all Americans.

You are a true friend and I look forward with great anticipation to the tremendous contributions I know we will be making together to both our country and to our fellow Americans.

God bless you, and please accept my warmest personal regards. I remain,

Sincerely,

Bill Clinton
