Dear Josh:

In response to your inquiry, I am pleased to confirm that if the SGA will fully fund a position for the Women's Center Director at \$37,800 during the 1995-96 fiscal year, the University will fully fund the position during the next and in ensuing years. It is my intent to allocate an E & G line to the Division of Student Affairs specifically for this purpose to be effective the 1996-97 fiscal year if SGA can provide the above referenced level of financial support during 1995-96.

This is a very important position for the University and particularly the majority component of our student body. Your support and that of the SGA Senate would be greatly appreciated and will enable us to provide the long-term, stable leadership which the Center must have.

Sincerely,

Adam W. Herbert

MEMORANDUM

TO: MR. JOSH KUETHE
SGA PRESIDENT

FROM: ROLAND E. BUCKY 
VICE PRESIDENT FOR STUDENT AFFAIRS

SUBJECT: FUNDING FOR WOMEN'S CENTER POSITION

As a follow-up to our meeting this morning I want to formally request that SGA fund the full salary for the Women's Center position for the 1995/96 fiscal year in the amount of \$37,800, including benefits. This amount is consistent with your commitment to provide funding for this position at \$19,000 per year for two years. The net effect of this request is that the amount you allocated will be paid in one year as opposed to two.

I have already met with both the President and Provost Ling to discuss a permanent solution to this funding problem. With continued enrollment growth it is anticipated that new positions will be available next year. Once this happens, the Women's Center will have first priority in receiving funding for its director's position.

Thank you for helping me resolve this issue.

Josh: This will serve for your records with SGA to confirm that the University will pick up the salary and benefits for this position at 7/1/96. We thank SGA for taking care of this through fiscal year 95/96.

From: JKUETHE

In a recent meeting with Dr. Buck, we came to the conclusion that SGA would fully fund the Women's Center Director for one year (1995-96) at \$37,800, and zero fund it for the following year (1996-97). Dr. Buck said that he expects
