

# THE INAUGURAL TAPE

FROM LITTLE ROCK TO THE WHITE HOUSE - A ONE HOUR  
SOUVENIR VIDEOTAPE OF THE COMPLETE INAUGURAL MAGIC:  
THE MESSAGE,  
THE MAJESTY,  
AND ALL OF THE MERRY MAKING!

*Set in the context of the remarkable 1992 political campaign, and including special New York Convention footage, this unique tape highlights all of the behind-the-scenes Inaugural festivities and covers far more than anything seen on T.V., including exclusive footage of events and parties actually closed to the press!*

*We had special access in documenting this celebration -- and history in the making -- and now can make you a full participant as well:*

*Don't miss the cast of thousands: Bill on sax; Hillary working the crowds; Al and Tipper in support; the Browns, Ron and Jerry; the Kennedys and the rest of the Capital Hill Gang; the fundraisers (such as Pamela Harriman); power brokers from everywhere; the future Cabinet, and stars by the hundreds (from Dudley Moore, Henry Winkler, Kathleen Turner, Chevy Chase, Jack Nicholson, Ed Begley, Jr., to President Clinton's Mom).*

*Most of all, don't miss the music! Never before has such a collection of musicians assembled at an Inaugural!*
