Dear Kevin,

Perhaps I have written too much; however, I believe what I have written is accurate. I have attempted to highlight in yellow marker those parts that were your words as taken from the write up of my phone interview of May 27. If I have exceeded what you wished of me, please let me know.

I have also included photographs. Of course I am prominent in each of these photos since they are from my personal albums.

Finally, Grady and I will be out of the country from July 3 to July 21. Please let me hear from you before we leave.

Perhaps I will give you a call.
