# SENATE RESOLUTION

NUMBER SR-99S-1137

*CSC Committee request for review of Election Guidelines*

- Whereas: The Student Government Association of the University of North Florida was established to represent student concerns in all University wide matters, and;
- Whereas: The Constitution and Statutes Committee is standing committee of the Student Government Association Senate, which is responsible for "jurisdiction over Student Government Association Statutes," and;
- Whereas: It has come to the attention of the Constitution and Statutes Committee that there should be Guidelines for Governing Elections. These guidelines should be in congruent with Title VI of the Student Government Association's Constitution and Statutes. The Constitution and Statutes Committee strongly recommends that the guidelines, after being drawn up by the Elections, Selections, and Appointments Committee, shall not be subject to change until the year 2001.
- Therefore: Let it be resolved that **the Guidelines for Governing Elections shall be used along with Title VI, but not over rule them in this Spring Election of 1999. The Constitution and Statutes Committee also recommends a full review of the Guidelines and Title VI, and be formatted so that they do not contradict each other. The Constitution and Statutes Committee recommend that the guidelines, after being drawn up by the Elections, Selections, and Appointments Committee, may not be subject to change until the year 2001.**

Respectfully submitted, Constitution & Statutes Com.
