Dear David:

It was nice to meet you last week in Orlando. Thank you for the opportunity to speak with you and Manning about health care legislative issues this year.

I hope that Melissa Rehfus was able to answer your questions regarding our position on issues such as any willing provider, direct access and due process. If you need further information on any issue, please contact me at (904) 791-6803.

Again, it was nice to meet you and I look forward to speaking with you in the future.

Sincerely,

Susan B. Towler, APR
