SENATE LEGISLATION

NUMBER SB-99SB-1226

SB-99SB-1226 Addresses the placement of the Helium Tank for the students of UNF

- Whereas: The Student Senate of the University of North Florida was established to represent the students in University wide matters, and;
- Whereas: A Senator has been elected to serve and look out for the interests of the UNF student body as a whole and use his or her best judgement to impact, fairly manage and appropriately allocate Activity and Service monies so that the student body may benefit, and;
- Whereas: The location of the Helium tank may change from time to time and SGA should at there discretion be able to replace and change the location when necessary while still conforming to these guidelines, and;
- Whereas: In Senate bill SB-99SA-1203, the first therefore reads: "Therefore Let it be enacted that a single dolly with a strap and a Helium tank be placed in the second floor foyer chained to the northwest corner walls and the nozzle to be locked in a cabinet in order to conform with the Environmental Health and Safety standards of UNF," and;
- Therefore Let it be enacted that SB-99SA-1203 state: "Therefore let it be enacted that a single dolly with a strap and a Helium tank be chained to a wall in a location that conforms with the Environmental Health and Safety standards and the nozzle to be locked in a cabinet."

Respectfully submitted, Student Advocacy Committee

Introduced by Senator Samuel E. Lansdale
