## Multicultural Week Request for Unallocated Funds

1. This event will occur on the University of North Florida campus in which every student on campus may participate if they wish to do so.
2. The funds will be used to put on a weeklong event. There are a variety of events that will be available for students to educate and enrich themselves. The week will be full of events from dance lessons and an African concert to Sumo wrestling.
3. The entire student body will be exposed to the different cultures throughout the week and experience them over the course of the week.
4. Every item included during this week is very vital to the event and nothing is more important than the other.

Flyers will be circulating through the campus, and signs will be posted all over campus.
