SENATE LEGISLATION

NUMBER SB-00S-1337

SB-00S-1337 Adds Chapter 101 to Title I

- Whereas: The Student Government Association of the University of North Florida was established to represent student concerns in all University wide matters, and;
- Whereas: The Constitution and Statutes Committee is responsible for the review and revision of the SGA Constitution and Statutes when necessary, and;
- Whereas: The members of this committee, during deliberations on the Senate Policies and Procedures found some inconsistencies and felt that sections needed to be added to Title I regarding the authority of SGA documents;
- Therefore: Let it be enacted that the following chapter be added to Title I of the Student Government Association Statutes:

Chapter 101 Constitutional and Statutory Authority

- 101.1 The Student Government Association Constitution shall be the superceding document of all SGA documents, including statutes, policies, procedures. No statute, policy, procedure, or standing rule may override the SGA Constitution.
- 101.2 The Student Government Association Statutes shall be the superceding document over all SGA documents not previously superceded by the SGA Constitution, including policies, procedures, and standing rules. No policy, procedure, or standing rule may override the SGA Statutes.
- 101.3 The Student Government Association Constitution and Statutes will supercede any policies and procedures set forth by any entity of Student Government (Senate, Judicial Council, standing committee).
- 101.4 a. In the event that a statute, policy, procedure, or standing rule is found different from a document that supercedes it, the superceding document shall be correct in the matter. In case of this event, the Senate Standing Committee overlooking the statute, policy, procedure, or standing rule may change the document being superceded to become compliant with the superceding document without changing the intent thereof.
- b. In the event a Senate Standing Committee makes any statute, policy, procedure, or standing rule corrections of superceding documents, changes must be reported at the next Senate meeting immediately following committee meeting in which changes were made.
