JR-03SA-1673: Joint Resolution Concerning Summer Registration

2 Whereas: The Student Government of the University of North Florida was established to represent student concerns in all University wide matters;

4 Whereas: In representing student concerns, the Student Advocacy Committee, Student Senate, and Student Government as a whole believes that this concern should be addressed;

7 Whereas: Students have informed us that it is unacceptable that summer registration occurs so late in the year;

9 Whereas: Students do not have enough time to adequately prepare for the summer and the upcoming semester;

11 Whereas: Students feel that the registration date for Summer Term should occur earlier in the Spring Semester, to allow Students adequate time to plan housing arrangements and other plans for the summer;

14 Therefore: May it be resolved, by the Student Government of the University of North Florida, that we strongly urge the Registrar’s Office to evaluate and change the timing of the registration for the summer semester to better meet the needs of the Students of the University of North Florida.

18 Furthermore: Let this resolution be forwarded to the University’s Registrar, the Vice President of Student Affairs, and the University President.
