## MEDIA ADVISORY

### AREA SENIORS LEARN HOW TO FIGHT MEDICARE FRAUD

**WHO:** Blue Cross and Blue Shield of Florida's (BCBSF) Medicare Fraud Branch.

**WHAT:** BCBSF is sponsoring a series of seminars designed to empower area seniors with the knowledge needed to protect themselves from Medicare fraud and abuse.

**WHEN:** Wednesday, February 24, 1993.  
12:30 p.m. to 1:20 p.m.,  
or 2:30 p.m. to 3:20 p.m.,  
or 3:30 p.m. to 4:20 p.m.

**WHERE:** **PALM BEACH**  
Palm Beach County Convention Center  
Palm Beach Lakes Blvd. at Congress Ave.

**WHY:** Florida's seniors are targeted by individuals attempting to defraud the Medicare program. BCBSF is helping fight Medicare fraud by educating seniors on fraudulent practices.

The seminar is scheduled as President Clinton is targeting fraud and abuse as an important element of the federal government's plan to reduce Medicare costs. Health care fraud costs taxpayers approximately \$80 billion each year, according to an estimate by the federal government.

**NOTE:** In fiscal year 1992, BCBSF's Medicare Fraud Branch teamed-up with the federal government to investigate and order recoveries of \$10 million in Florida resulting from overpayments to physicians by Medicare, civil monetary penalties and court-ordered restitution.

The seminars are scheduled in conjunction with BCBSF's Healthy Lifestyles Expo, an event of the Ninth Annual Senior Activities Festival. A complete list of Expo activities is attached.
