JOINT RESOLUTION

JR-04SA-1773

1

JR-04SA-1773: Requesting Student Access to UNF Facilities during Summer Terms

2 Whereas: The Student Government of the University of North Florida was established to represent student
3 concerns in all University wide matters

4 Whereas: In representing student concerns, the Student Government, as a whole believes that this concern
5 should be addressed;

6 Whereas: Students not taking summer classes are being denied access to student facilities including the
7 computer lab, the aquatic center, the fitness center, the library, student health services, and so
8 forth;

9 Whereas: The University of North Florida Student Government feels that since these students are Activity and
10 Service fee paying students for both the previous and upcoming Fall and Spring terms, these such
11 students should not be denied the benefits received from paying the Activity and Service Fee.

12 Therefore: With conviction, Student Government officially petitions the University to change this policy to allow
13 students summer access to the UNF facilities listed above;

14 Furthermore: Let it be known that the Student Government of the University of North Florida will forward this
15 resolution to the Vice President of Student Affairs, the Board of Trustees, the University
16 President, the Director of Recreation, and the ITS Director.
