Hi Paul, Lynn, and Lindsay,

I am a bit confused on where we stand on the Mud Fest. When I spoke to you Paul, you said it would take place in Housing area and you would include related costs on your Housing contracts and SG would reimburse. I have since been told that it would not take place in Housing. If this is true, my original concerns are still at issue and they are: Official price quote, contract that executed, and liability. Please let me know, via email, the status of this issue. Thanks. Betty

Betty,

Here is the email I got from Lynn. When I last talked to Wendy Morgan-Butts we discussed the fact that there needs to be a contract sent around for the excavation before it is done, housing is working on it and we will get it when it is finished and ready to be sent around.

Hopefully Paul can answer any of your other questions. Let me know if you have any questions.

Thanks,
Lindsay

Hi Lindsay,
According to the above referenced Homecoming Legislation, Student Government agreed to pay \$5,000 for "excavation" of a site located in Housing for a Homecoming event. I understand that you are working with Housing on this project and I want to be sure all proposals and subsequent expenditures fall within appropriate University and SG guidelines. I have not seen a quote on this project or a contract for this work to be done. Please let me know the status of this "excavation."
Thanks so much for your immediate attention to this matter.

Good Morning,

Betty and Paul,

Everett asked me to call Recreation to see if the RFM to use the Crossing's Recreation Field for Mud Fest had been approved by them. Jenny told me this is the first they had heard of it. I faxed the memo from Paul and accompanying paperwork over to Recreation for Becky to look over and see if it conflicts with events they may have already booked on the field.

Dr. Gonzalez is out of town until next week and he may have some questions before approving the request.
