SENATE LEGISLATION

SB-11SA-2527

1 *SB-11SA-2527 : Executive Agency Formation Reform*

2 Whereas: The Student Government of the University of North Florida was established to
3 represent student concerns in all University wide matters; and

4 Whereas: The Student Senate is the legislative body of the University of North Florida's
5 Student Government given the responsibility of carrying out such legislative acts that
6 are necessary and proper for the Student Body of the University of North Florida;
7 and

8 Whereas: Legislation dealing with necessary and proper statutory revisions shall be considered
9 by Student Senate; and

10 Whereas: Title XI is in need of revision.

11 Whereas: Title XI has grown to be incongruent with Student Government Statutes. This
12 measure seeks to not only realign Title XI with the rest of the statutes, but also to
13 ameliorate the agency formation process. The process is too unnecessarily
14 burdensome and makes forming an agency less timely than is beneficial to the
15 student body.

16 Therefore; The following revisions are being made to Title XI;

17 **TITLE XI: THE EXECUTIVE AGENCY STATUTE**

18
19 **Chapter 1100.8 Forming an Executive Agency**

20
21 The forming of an executive agency, as follows, is a process that ~~will persist no less than~~
22 ~~three fiscal years~~ can occur with the express approval of the Student Government President.

23
24 ~~A. Any persons who want an agency formed must first acquire 20% of student body~~
25 ~~signatures during the fall semester only.~~

26
27 ~~B. After acquiring the aforementioned signatures, the persons must have put a budget and~~
28 ~~general proposal before the Budget and Allocations Committee and the Constitutions~~
29 ~~and Statutes Committee, respectively. An agency proposal consisting of both a~~
30 ~~budgetary and constitutional component shall be submitted to the Senate President and~~
31 ~~added to the agenda under Legislation considered for 1st Reading for the next regularly-~~
32 ~~scheduled Senate meeting.~~

2 C. The proposal's budgetary and constitutional components are to be forwarded to the
3 Budget and Allocations Committee and the Constitution and Statues Committee,
4 respectively.

5
6 1. The budget proposal must include monies for one fiscal year. The Budget and
7 Allocations Committee is to review the proposal and, not appropriate funds at this
8 time. The budgetary component must outline estimated costs for one fiscal year and
9 can be composed with the assistance of the SG Business Manager, Treasurer,
10 Agency Advisor, and/or Budget and Allocations Chair. The Budget and Allocations
11 Committee shall review and vote on the proposed budget, but refrain from
12 appropriating funds until the formation process has been completed.

13
14 2. If the Constitution and Statues Committee does not pass the Agency proposal, then
15 it dies, or can be brought back to the floor by eight senators. The Constitution and
16 Statues Committee will review and vote on the constitutional component.

17
18 3. If both components of the agency proposal are passed, the revised proposal shall be
19 added to the agenda under Legislation considered for 2nd Reading for the next
20 regularly-scheduled Senate Meeting.

21
22 D. The proposals need to then be brought to the floor before the last Senate Meeting of the
23 Fall Semester. The proposal must be approved by the Senate before the conclusion of
24 the budget deliberation process for the upcoming fiscal year.

25
26 1. It takes 2/3 a vote from Senate to pass the Agency Proposal. The agency proposal
27 requires a two-thirds (2/3) vote of the Senate to pass.

28
29 2. After the legislation passes, the President of Student Government must sign off on
30 it. If passed, the agency proposal must be signed by the Student Body President.

31
32 3. If the Student Government President vetoes the proposal, then it will be referred
33 back to the Senate.

34
35 4. It will then take 2/3 of present Senators to override the President's veto.

36
37 D. After the legislation passes, the Constitution and Statues Committee will draw up a
38 referendum and request the Elections, Selections, and Appointments Committee for
39 it to be placed on either the special voting session or the spring ballot, whichever is
40 the quickest route.

E. The Agency Proposal, after affirmation by the Senate and/or Student Government
President, and the student body, it must then be approved by the University President.
