JANUARY, 1976

- 1976 - Was (?) a very good year. With this year being here only a few weeks, things look the same. Work piled to the ceiling, baby showers, bills, bills, and more bills; yes, 1976 seems to be the same as any other New Year. But for Sandy Hewlett, Robbie Leggett, and Sandy Armstrong things will be different with their new year thoughts. Sandy Hewlett has decided to change everything in her house from top to bottom - off with the old and on with the new. Robbie Leggett says she does not smoke, so she can't give up smoking, she does not drink, so she can't give up drinking, and she quit eating last year. Without another thought she has decided not to make any big decisions for the New Year. While Sandy Armstrong has never changed anything for New Years past, she plans to change nothing for 1976.
- WELCOME Our new employees this month are: Trina Pierce - group files and Kathy Peacock - group billing. Welcome back to Bonnie Godbold and Nancy Thompson who have been on maternity leave. Welcome back to Chip Harden!
- FLOWER SHOPPE Ginny Bleil received daisies from her husband, Rich, just because he loves her. Faith Parrish received daisies for no special occasion (just because). Pat Roberts received gold carnations for no reason. Josephine Walker received a red carnation corsage from "someone" for being an understanding supervisor. Rosiland Brown received more than her share of flowers for her birthday. Her nephew sent a dozen yellow roses and she received a bouquet of yellow chrysanthemums from her son and daughter. Annette Powers received a yellow rose dried flower arrangement from Evette Dykes to ring in the New Year.
- MISC. Barbara Roberson got contact lens and she loves them. Nancy Keezer got a parakeet name "Willie". She has been trying to teach him how to talk, but she says that he is still too young. Debbie Gardner is leaving her gas-hogging Buick at home and driving her newly acquired Toyota to work now. Ann Reid and her husband, Dave, bought a '74 pick-up truck complete with a camper on the back (happy camping, Ann). Ann Wiggins has been hearing the "pitter-patter" of little paws since she got a Pomeranian puppy named "Foxy Termite"!?! Nona Tanner also has a new pet. An Irish Setter puppy named Scooby-Doo. Poor Dutch Battle and Laura Jones have I.D.'s coming out of the walls. (keep the chins up and the I.D.'s moving). Don't ask Debbie Rountree about football!?! Sales Support girls let the New Year in with ZZZ's.

She said it was beautiful. Linda Heselton spent the holidays at home for the first time in twelve years. Susan Seesdorf's boyfriend, Howie, came from Louisiana for the holidays. She in turn flew to Alexandria, Va. to visit Howie and his family for six days to ring in the New Year. They also visited Washington D. C.. WHAT FRIENDSHIP IS ALL ABOUT

In friendship, it's the little things
That mean the most, the most of all...
The "let me help you with that" things
That may seem very small,
The "I'll be glad to do it" things
That make your cares much lighter,
The "laugh with me, it's funny" things
That make your outlook brighter,
The "never mind the trouble" things,
The "yes, I understand",
The interest and encouragement
In everything you've planned...
In friendship, it's the little things,
The friendly word or smile,
That add such happiness to life
And make it more worthwhile.

SMILE A WHILE

"I'm really not late, boss," said
the tardy secretary, hanging up her
hat. "I just took my coffee break
before coming in."

A girl was talking about her two
boyfriends. "If I could combine
them", she said, "I'd be the happiest
girl in the world. Frank is suave,
rich, handsome and witty; and Don
wants to marry me."

RECIPE FOR A HAPPY NEW YEAR

Take twelve fine, full-grown months; see that these are thoroughly free from all old memories of bitterness, rancor, hate and jealousy, cleanse them completely from every clinging spite; pick off all specks of pettiness and littleness; in short, see that these months are freed from all the past - have them as fresh and clean as when they first came from the great storehouse of Time.

Cut these months into thirty or thirty-one equal parts. Do not attempt to make up the whole batch at one time (so many persons spoil the entire lot in this way), but prepare one day at a time as follows:

Into each day put equal parts of faith, patience, courage, work (some people omit this ingredient and so spoil the flavor of the rest), hope, fidelity, liberality, kindness, rest (leaving this out is like leaving the oil out of the salad - don't do it), prayer, meditation, and one well selected resolution. Put in about a teaspoonful of good spirits, a dash of fun, a pinch of folly, a sprinkling of play, and a heaping cupful of good humor.

Pour love into the whole and mix with vim. Cook thoroughly in a fervent heat; garnish with a few smiles and a sprig of joy; then serve with quietness, unselfishness, and cheerfulness.
