

GUIDEWELL

ANNOUNCING NEW VENTURE

The Florida Center for Nursing in partnership with GuideWell is forming a **Healthcare Workforce Leadership Council** comprised of high-level health industry leaders steered by a charter and guiding principles to oversee the implementation of healthcare workforce policies that will create a sufficient pipeline of talent specific to the needs of the health industry in Florida.

Once the State-Level Council is formed they will guide the establishment of Regional Councils to consider issues specific to Florida's unique cultures. Advisory groups of state agencies and professional organizations will be invited to contribute to the process.

Leading the effort are Dr. Prakash Patel, Chief Operating Officer, GuideWell and President, GuideWell Health and Mary Lou Brunell, Executive Director, Florida Center for Nursing and Co-Lead Florida Action Coalition.
