## Team de Tocqueville

The Tocqueville Society is a group of caring individuals who give \$10,000 or more a year to United Way. In 1999, J. Wayne and Delores Barr Weaver gave United Way a one million dollar gift, establishing the Weaver Challenge, a four year matching program for donors to reach the Tocqueville level of giving. In 2004, the Weavers invited other members from the Society to partner with them to continue the Weaver Challenge and support a new matching program called the Society Challenge. This opportunity allows Tocqueville members to increase their commitment to \$25,000 over five years. This unique group within the Tocqueville Society is known as Team de Tocqueville, listed below. Their contributions of \$50,000 or more, along with the Weavers' gift, funded both Challenges in 2009. Over the last 10 years, more than 400 individuals have taken advantage of the Weaver and Society Challenges, leveraging over \$9 million new dollars to benefit vulnerable First Coast children and families.

**J. Wayne & Delores Barr Weaver**

## Give 5 Campaign

Give 5 is a social networking campaign that invites individuals to become new donors and educates them on how giving through United Way of Northeast Florida changes the lives of their friends and neighbors throughout the First Coast.

Thank you to **J. Wayne and Delores Barr Weaver** for their generous contribution and support which made the Give 5 Challenge possible.

Special thanks to **United Way Atlantic Circle** for leading and promoting the Give 5 campaign.

## Sherwood H. Smith Recognition

United Way expresses its appreciation to the Sherwood H. Smith family in establishing the Sherwood H. Smith Children's Champion Award. This unique award recognizes two individuals: one who has demonstrated exemplary service in working directly with children and youth and the second recognizes an advocate whose efforts have resulted in positive change in policies or conditions that impact the well-being of children and youth on the First Coast.
