SB-16SA-3006: Clarification of GO Vice-Chair Selection

Whereas: The Student Government of the University of North Florida was established to represent student concerns in all University wide matters, and;

Whereas: The Senate is the legislative body of the University of North Florida's Student Government given the responsibility of carrying out such legislative acts that are necessary and proper for the Student Body of the University of North Florida, and;

Whereas: The current rhetoric in Title XIII, Statute 1301.2A leaves the Government Oversight Committee Vice-Chairperson position up in question while it reads that the Vice-Chairperson is "elected through the Senate Policies and Procedures,"

Whereas: The Government Oversight Committee Vice-Chairperson should be appointed to their position by the Government Oversight Committee Chairperson, rather than by an election in the Senate.

Therefore: This bill has been created to remove any concern over the Government Oversight Committee Vice-Chairperson's appointment to their role as defined in the Senate Policies and Procedures.
