# JOINT RESOLUTION

## NUMBER JR-01F-1456

---

*Expresses Gratitude to those involved in the World Trade Center rescue efforts*

Whereas: The Student Government of the University of North Florida was established to represent student concerns in matters of local, state, and national concern; and

Whereas: It is within the power of Student Government to issue resolutions to express gratitude on the behalf of the student body of the University of North Florida; and

Whereas: The World Trade Center in New York City and the Pentagon in Washington, DC were the targets of terrorist attacks on the eleventh day of September, the year two thousand one; and

Whereas: The attacks left thousands of innocent people missing in these buildings; and

Whereas: The men and women working for the Police and Fire Rescue in these cities placed their own lives in danger in order to save the lives of those who were trapped; and

Whereas: These individuals continue to work tirelessly, going above and beyond the call of duty; now

**Therefore: Let it be resolved that the thirteen thousand, two hundred students of University of North Florida send their heartfelt thanks to those individuals who have worked so hard and given so much in an effort to save any survivors of the tragedies; and**

**Further: The Student Body of the University of North Florida sends its deepest sympathies to the families of those who have lost loved ones in these tragic events; and**

**Further: The Students of the University of North Florida send their best wishes to the survivors of these tragedies.**
