DIVISION MEETING

The annual meeting of the Division on Women and Crime will be held on Friday from 1 to 3 PM. Check your program for location.

At the meeting we will begin with brief addresses by two persons from other associations dealing with women, as part of the Division's recent move toward networking with other groups interested in women and crime. Susan Hunter, a board member from the American Correctional Association, will speak on "Women and the ACA" and Nancy Campbell, a community corrections worker who is President of APFO (the Association of Programs for Female Offenders) will speak with us on women's issues related to that association.

Divisional business will include the appointment of a nominations committee for the vacant offices, and the elections of the executive board of the Division for the upcoming year. The executive board is elected at this meeting, on the basis of nominations from the floor. Three members will be elected. You may want to be thinking of names of persons you would like to nominate for executive board.

We will have the usual reports from committees of the Division at this meeting.

Barbara Price has been appointed Program Chair for next year's meeting, and Donna Hale will be our liaison from the Division for the Program Committee. You may wish to come to the Division meeting with suggestions for these two people for next year's program.
